Kindly also let me know if there are any other changes to be made in your personal details as printed in the old Directory 2016-17 (Name spelling, Profession/Ordination date) so that the new Directory 2017-18 can be updated accordingly.

As you are aware, the Government's very recently introduced stringent policy of monitoring all Social Media Groups and Whatsapp's interactive-mode of communication makes it impossible for the ADMINS of the groups to monitor or control that which is posted by individual members of the group. **Therefore, it is highly recommended that confreres who have not yet opted for the TELEGRAM app, may do so as early as possible, because the OFFICIAL WHATSAPP INM SDBs Group and all other INM Groups will soon be dismantled.** Because of its much wider reach-out (5000+) per broadcast and its strictly one-way modality of communication, **from July 3rd 2017 onwards, TELEGRAM app will become the OFFICIAL mode of ONLINE communication, together with EMAIL and SMS to ALL your personal mobile numbers and email ids as well.**

Thank you!
