DON BOSCO COVID HEALTH CENTRE

Perambur, Chennai-11.

The Government of Tamil Nadu, in response to the alarming spread of the pandemic that threatens to overwhelm the health infrastructure, has encouraged institutions and individuals to join hands with the government in its efforts to deal with the healthcare crisis. Don Bosco Higher Secondary School, in association with Greater Chennai Corporation, supported by

Doctors Teams are planning to set up an 80 - 100 bed COVID care center in the school campus at Perambur, Chennai.

Don Bosco School, has been serving the community for the past 55 years. The school proposes to convert this building to a COVID Health Centre to cater to the needs of the people of Chennai who are faced with an acute shortage of COVID Health beds.

Preliminary Inspection Visit - 15.05.2021

Perambur, Don Bosco School stepped forward to extend its helping hand to combat against the Covid pandemic in collaboration with the Greater Chennai Corporation. Doctors' team came to inspect the places to install Covid Health center in the School premises. Fr. Leo, Fr. John Christy & Fr. Anto guided them and explained the facilities available in the school campus under the directions of Fr. Don Bosco the Vice Provincial.

Core Committee and Volunteers Meet - 16.05.2021

A short meeting was organized for Core Committee members composed of Fr. Don Bosco, Fr. Leo, Fr. John Christy & Fr. Anto , Doctors Mr. Mahesh and Masud, Mrs.Anandhi, Nursing Director, to discuss the contribution of different sectors

(Management, Doctors team and Corporation) to enhance the implementation of Covid Health center.

School sports students were called for a meeting and they volunteered themselves to clear and set right the places for creating Covid Health center. They were led by Mr. Jeyasingh and Mr. Manigandan.

Rudimentary Cleaning Work - 17.05.2021

Government Text books were shifted to Physics Lab from the DB Hall, Tables & Desks were shifted to 12th Classrooms and Benches, Tables, Partitions from Primary Hall were shifted

to the place near EB room with the help of our School sports students. Mr. Jeyasingh and Mr. Manigandan guided the volunteers in successfully carrying out this work. They were provided breakfast and Tea to appreciate their contribution towards this initiative. In the evening, we received 60 Cots and Beds to be arranged in the primary hall.

Administrative Concerned People Meet - 18.05.2021

Administrative concerned people meet was organized in the administrator office. Fr. Anto, The administrator allotted the initial works to different persons respectively.

Preparatory Works - 19.05.2021

Preliminary & Preparatory works were in full swing like painting the DB Hall, Making the ramp and cleaning the Halls & Classrooms by the lady sweepers.

Corporation Commissioner & Minister Sekar Babu Examined the Center - 20.05.2021

To support the initiative of setting up Covid Health Centre with oxygen facilities, Mr. Gagan Deep Singh Bedi, the Corporation Commissioner and his team along with Honourable Minister Sekar Babu examined the place. Having studied the place, the minister promised that he would assist in all the way possible to the management of Don Bosco.

He also assured to Fr. Don Bosco that he would help through

Corporation Department like health, metro water, and other materials. The Minister cancelled the

plan of making the Auditorium as patients ward due to non-conductive atmosphere. Therefore it was decided that five classrooms in the ground floor will be utilized as patients ward and he also insisted to have screening center facility in the same campus for benefit of the public.

Fr. Provincial Visited the Covid Health Center - 21.05.2021

Fr. K.M. Jose the Provincial of Chennai Province visited the Covid Health Centre at

Perambur and had a meeting with the entire core team. It was decided at the end of the meeting that Fr. Anto would be the project co-coordinator and he will be assisted by Fr. Don Bosco the Vice Provincial, Provincial council Members Fr. Leo and Fr. John Christy From the corporation we received 80 Cots, Beds, Buckets, Bed sheets to get ready the patients ward.

Transformation of Don Bosco Primary Hall into Corona Ward - 22 May 2021

Minister Sekar Babu revisited the Corona ward premise to ensure the work progress. The hall was almost taken its form as a Corona Ward for patients with newly fixed lights, fans and cot with mattress. Eight class rooms were also made ready for the usage after removing the benches and desks to the first floor. Temporary toilets were brought in to be utilized by the patients. The Primary Hall now looked well-furnished ambient for the patients.

CM Visits Covid Health Centre at Perambur - 23 May 2021

From the dawn all the preparation works were on rapid speed like Hall flooring, toilet renovation, setting the CCTV camera and new electrical line in the hall. It was an auspicious day because Mr. M.K. Stalin the chief minister of Tamil Nadu visited the Covid Health Centre at Perambur and appreciated Don Bosco INM Province for rendering a helping hand during this time pandemic. He also enquired about the procedure of admitting the Corona patients. The CM was accompanied by Fr. Don Bosco and Minister Sekar Babu, Mr. Sridhar IAS and the commissioner of Greater Chennai Corporation.

Renovation of Toilet adjacent to the Primary Hall - 24 May 2021

Toilets adjacent to the Primary Hall were renovated with new doors, four western toilets, painted for better outlook and bifurcated with partition to be used by men and women respectively. Lights and pipe lines were changed considering the requirements and conduciveness of the patients.

Transformation of Class Rooms into Corona Ward - 25 May 2021

Five class rooms and gents' staff room were converted into Corona Ward to compensate auditorium. Flooring was done for all the class rooms, electrical lines were newly installed and each class rooms had 7 beds and gents' staff room had 12 beds with daily usage materials like bed sheets, buckets, and dustbin and toiletry articles. Thus place was now ready to serve the patients.

Setting up the Screening Centre and Installation of CCTV - 26 May 2021

Screening sections like testing laboratory, X-ray were brought into our School campus as proposed by Fr. Don Bosco and Minister Sekar Babu. The same day CCTV cameras were installed in the entire patients ward, Triage room and in and around the campus. CCTV monitor is set in the ladies staff room for the better surveillance.

Inauguration of Covid Health Centre and Vaccination Drive - 27 May 2021

Meeting was organized for the volunteers at 10:30 am in DB Hall. Fr. Anto thanked and appreciated their initiative to fight against the Corona virus and he instructed the dos and don'ts of the volunteers. Fr. John Christy addressed them to be careful and orientated them to be

service minded.

Vaccination drive was held in DB Hall for all the staff and volunteers who are involved in this Covid Health Center. Nearly 55 people have vaccinated.

Inauguration of Covid Health Centre at Perambur Don Bosco School was held at 7.00. p.m.

Fr. Provincial, Fr. Vice provincial, Fr. Leo, Fr. John Christy, Fr. Anbu Francis, Fr. Andrew, Fr. Alphonse, Fr. James and the community of Don Bosco Perambur were present. Fr. Provincial blessed the Corona ward and Fr.

Tharsius, the Rector and Correspondent cut the ribbon and opened the ward for the patients. Fr. Anto, the Administrator took all the guests to show all the facilities made available by the management along with the corporation.

Arrival of Patients - 28 May 2021

Dr. Masud & Mrs. Anandhi, the Head nurse addressed the Hospital Volunteers before the arrival of the Patients and cautioned them to be careful. They also assigned the duties to be done by the Hospital volunteers. 40 patients from Periyarnagar Hospital were shifted to our Health Centre. Male patients were admitted in Primary Hall (Male high dependency ward) and female patients were admitted in gents' staff room (Female high dependency ward).

Fire Drill Training - 05 June 2021

All the Covid Health centers are required to have Preventive measures and evacuation procedures. It is vital for our Staff nurses, Volunteers and other staff members to know what steps to take during an emergency. The Fire Department officers instructed all the do's and don'ts during a fire. They also demonstrated some operation relating to fire safety. Some of our staff were asked to repeat what they demonstrated. Also our staff members were taught to remain calm and organized during a fire.
