

SALESIANS OF DON BOSCO

Province of Chennai (INM), India

Vocation Promoter

Dear Confreses,

Greetings of the season and warm wishes from the INM Vocation Promotion Team. At the outset, I express my sincere gratitude for all your support towards Vocation promotion in our Province. As you are well aware of the Winter Salesian Vocation Camp 2021-22, is going to be for a day in the four different regions. I kindly request your continued cooperation and collaboration towards INM vocation promotion. I am certain, with God's blessings and with your continuous support we will be able to recruit good candidates for the Salesian Province of Chennai and thus paving the way for a healthy future of the Congregation as our Father and Founder St. John Bosco desired.

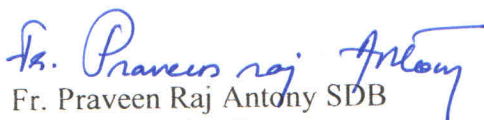

Dear Confreres, let us be very attentive to the boys and young people, who show signs of Salesian vocation and encourage them and accompany them to discover their Salesian vocation. If God wants and the individual also desires to be a Salesian, then we have to give our best. I request you to encourage the interested boys and youngsters to attend the one-day vocation camp to know a little more about Salesian vocation, the Salesian congregation and the Spirituality of Don Bosco.
